**AUTOMATIC EXCHANGE OF FINANCIAL ACCOUNT INFORMATION
FOREIGN ACCOUNT TAX COMPLIANCE ACT (FATCA) REQUIREMENTS
COMMON REPORTING STANDARDS (CRS) REQUIREMENTS**

An Entity may be classified as a Financial Institution (FI) under the FATCA and CRS regulations and must comply with the regulations if they qualify as either:

a) An investment entity conducting investment business on behalf of a customer and these activities contribute to at least 50 per cent of the entity's gross income. Under CRS these entities are defined as Active Investment Entities (AIEs). If this applies please proceed to part 1.

or

b) An investment entity conducting investment business on its own account and these activities contribute to at least 50 per cent of the entity's gross income, and the entity is 'professionally managed' by another FI under a discretionary management agreement, or under a 3rd party service agreement. Under CRS these entities are defined as Managed Investment Entities (MIE).

Alternatively if not an FI the company or partnership will be classified under FATCA as a Non-Financial Foreign Entity (NFFE), and under CRS will be classified as a Non-Financial Entity (NFE). If this applies please proceed to part II.

For the rest of this application 'NFFE' will be referred to as 'NFE' the term used in the CRS.

Please note that if the Entity is an FI and is resident in a non-participating jurisdiction under CRS then the entity will be deemed to be a Passive NFE for reporting purposes. If this applies please proceed to part II.

1. Please select one of the following options below detailing your FATCA / CRS status and provide your Global Intermediary Identification Number (GIIN) if applicable:

Participating Financial Institution – Insert GIIN If you have undertaken your own FATCA registration. <u>OR</u> Sponsored Financial Institution – Insert its GIIN and name	<input type="radio"/>	GIIN Name
Certified Deemed Compliant Financial Institution (e.g. offshore investment company wholly owned by a Financial Institution)	<input type="radio"/>	
Exempt Beneficial Owner (e.g. Governmental organisations; International Organisations such as the International Monetary Fund)	<input type="radio"/>	
Non-Participating Financial Institution (FATCA only)	<input type="radio"/>	If selected please contact the Transfer Agency Team at Smith & Williamson

11. If the entity is NOT a Financial Institution they will instead be considered to be a Non-Financial Entity (NFE), either Active, Passive or a Direct Reporting Passive NFE. Please select one of the following:

Active NFE	<input type="radio"/>	The most common example in the case of an entity is one that is conducting trading activities where less than 50% of its gross income is from investments and less than 50% of its assets produce investment income. Active NFEs are out of scope for FATCA / CRS and have no compliance obligations under the regulations but we may be obliged to submit certain information to the relevant local tax authority where the entity is a non-UK resident.
Passive NFE	<input type="radio"/>	If the entity is NOT an Active NFE it will be a Passive NFE. Legislation based on FATCA/CRS requires us to identify all controlling persons of Passive NFEs, determine their tax residencies, and determine whether we are obliged to submit certain account information regarding such controlling persons to the relevant local tax authority who will pass it on to tax authorities in the relevant jurisdiction.
Direct Reporting NFE – Insert GIIN (FATCA Only - if you are being sponsored by another FI please insert its GIIN and name)	<input type="radio"/>	GIIN Name
