### **Jonathan Fry, former Chief Executive Officer of Premier Asset Management Plc (Premier) to join as Non-Executive Chairman**

It is with great pleasure we can announce Jonathan Fry has accepted our offer to hold the position of Non-Executive Chairman on the Board of Gemini Investment Management Limited (GIML)

GIML was founded in 2009 initially as a distribution business raising funds on behalf of specialist Investment Managers and is now established as one of the leading innovators in Fund Hosting. With c\$2bn of funds under administration via its UCITS platform, Gemini Capital Management (Ireland) Limited (GemCap) in Dublin GIML also provides strategic sales and marketing support for a number of Fund Managers in the UK and overseas.

Jonathan set up, developed and eventually floated Premier. He has over 30 years' experience in the asset management industry and has been involved in devising and implementing highly focussed strategies. He has a wide range of experience of introducing comprehensive risk-control monitoring cultures, procedures and highly compliant frameworks, enabling the firms he worked with to meet the high standards that both clients and the FCA require.

Stuart Alexander CEO GIML said **“Jonathan’s proven skills of developing and motivating teams with a strong focus on high levels of client service, risk control and compliance are a perfect fit for our business.**

**His very structured management style and experience in our industry, will offer a real depth to the Board”.**

Jonathan, is also Co-Founder and CEO of TeamBlockchain Ltd, established to help organisations understand the opportunities and challenges of Blockchain technology for private and quoted companies, as well as in the public sector.

Jonathan Fry commented **“Developing a sustainable corporate structure to lead businesses in the ever-changing investment landscape, is the core to my skill set. As Non-Executive Chairman of GIML, I am excited to join the team, as they have a strong base on which to grow; helping asset managers to access the UK and European markets with a very flexible hands on style”.**
